

## Big White Dominates 'Best Of Skiing in Canada' Award

Last Updated Monday, 15 October 2007

VERNON, BC; Ski Canada Magazine Winter 2006 special issue titled 'Best of Skiing in Canada' have just awarded Big White and Silver Star with a number of prestigious awards and accolades. 'A year's worth of praise and amusement, gossip and hearsay, make up our annual look at why there's no place like home.' wrote Iain MacMillan, Editor of Ski Canada Magazine.

'Every year the industry waits for this issue of Ski Canada magazine to be published' commented Michael J. Ballingall, Senior Vice President, Silver Star and Big White Resorts. 'Our teams at both resorts strive to be the best and in a large way the recognition received from Ski Canada Magazine and its readers plays a role in congratulating them on their successes and continued hard work.'

This year Silver Star and Big White dominated the awards in a number of areas. Awards listed below are excerpts direct from the pages of Ski Canada magazine and they include:

### BIG WHITE

Best Place to Drop off the Kids and Get their Gear -; Big White has now integrated its kids' rental facility with the Kids Centre instruction area. Get the kids kitted out and ready for lessons in one easy step.

Best Party to get a Local's Invite - The Shed Party at Big White is an annual invite-only shingdig that features Valdy, who's a regular at the resort each winter.

Best Place to Celebrate Australia Day - Snowshoe Sam's at Big White rocks with aussie aussie aussie/oy, oy, oy each January 26 as the Big White Aussie staff let down their hair - and dye it green and gold.

Best Powder - Big White

Best Grooming - Big White

Best Terrain Park (West) Best Place for an Old-fashioned Outdoor Hockey Game - Big White

Best Family Skiing - Big White

Best Place to Fly and Ski on the Same Day - Both WestJet and Air Canada offer daily service into Kelowna International Airport. The WestJet flights get in early enough to allow you to spend a half-day on Silver Star's or Big White's slopes to

acclimatize to that champagne powder.

Best Place for Boys to Play with Heavy Machinery - At Big White last summer, more than 30,000 truckloads of fill were dumped onto 14 runs on Gem Lake. Apparently this makes for smooth runs - and happy Dumptruck Dans.
